

Writer's Guidelines

TEMPO+ welcomes manuscripts from educators, parents, and other advocates of gifted education. Manuscripts may focus on all areas of gifted/talented education including policies, applications of research, programs, and practices. TEMPO+ is a peer-reviewed publication and manuscripts are evaluated by members of the Resource Review Council. Please keep in mind the following when submitting manuscripts:

- 1. Manuscripts should be 1,000 to 6,000 words on a topic related to gifted education. Preference will be given to manuscripts in the 1,500-4,000 word range. If your manuscript will be more than 6,000 words, please contact TAGT prior to submission. Please remember that manuscripts will be published online; if your piece is longer, you might consider breaking it into multiple parts.**
- 2. References and citations should follow the APA style outlined in the seventh edition of the Publication Manual of the American Psychological Association.**
- 3. Submit an electronic copy, typed, 12 pt. font, double-spaced, Microsoft Word or Google doc manuscript.**
- 4. A cover page must be attached that includes the author's name, title, school or program affiliation, home and work address, e-mail address, and phone numbers.**
- 5. Send tables, figures, illustrations, and photographs in separate documents. Each should have a title and be referenced in the text. Submit electronically with manuscript.**
- 6. Author(s) is fully responsible for accuracy of quotations, citations, figures, and facts.**
